

America's Boating Club Educational Cruise

This year's Educational Cruise was a blast. We had over 60 people take advantage of this great opportunity to learn more about charts and buoys.

We sailed off about 5:30pm and returned to dock promptly at 8:00pm. What a excellent way to learn about how to read the night-time buoy system. If you're into sunset, what an outstanding photo-op.

Join us next year!
